Description: Winner of the Pulitzer Prize Pilgrim at Tinker Creek is the story of a dramatic year in Virginia's Roanoke Valley. Annie Dillard sets out to see what she can see. What she sees are astonishing incidents of beauty tangled in a rapture with violence. Her personal narrative highlights one year's exploration on foot in the Virginia region through which...

Review: How can you not like a nonfiction book that's both informational and interesting? Entertaining too. Seriously, if I'd had exposure to texts that made science even remotely as engaging and intriguing as this one, I might have become an ornithologist or entomologist. Who knew that the average size of all living animals, including humans, is almost...
